

HIACE ACE

FIVE STAR COMFORT ON WHEELS

**REINVENT NEW
EXPERIENCES!**

THE TRADEMARK OF TRUE PROFESSIONAL

With a globally respected reputation for reliability and endurance, the new Hiace ACE combines functionally elegant design with a complete range of practical and convenient onboard cabin appointments. Whether you use it for business or pleasure, it offers every person aboard a comfortable ride for the duration of their journey,

Halogen Daytime Running Lamps (DRLs) ensure you'll be noticed, while the semi-bonnet design allows the engine to sit forward to provide greater driver comfort and better driving stability.

With typical Toyota Quality, Durability, and Reliability (QDR), this is the vehicle you can stake your livelihood on. Quieter, safer, more comfortable, and with improved performance on the road, Hiace ACE projects more than just professional good looks.

COMFORTABLE, SAFE AND SMOOTH.

Every element, both inside and out, has been carefully designed to make it more functional and incredibly versatile.

Jump into the new ACE and you'll discover the perfect mobile workspace that's filled with well-considered features and creature comforts. The light-filled and ergonomically inspired layout places all the controls and handy storage spaces just where you need them to make your time traveling in the ACE as convenient and practical as possible.

The front seat access is made easier by installing a wide front doorstep. The interior of the front side window has been lowered and a large quarter glass is installed to help ensure excellent forward visibility. An auxiliary mirror has been added, enabling checking in the downward field of view. The ACE is equipped with two speaker systems accompanied by full-length headlining to reduce ambient noise to entertain long trips.
