

NEW
TOYOTA FORTUNER

YOUR LUXURY OFFROADER

EXTERIOR

STYLED BY ADVENTURE.

With fresh new features, discover a perfect blend of power and performance beneath the strong, striking exterior of the 2021 Fortuner.

The Headlamps, Daytime Running Lights, and Rear Combination Lights have been re-designed for greater visibility and sight for both day and night. An integrated plate protects the engine bay from any unwanted stones or things from damaging it.

Make your presence known with the tough-looking chrome embellished Front Grille and premium and sportier front and rear bumper design. Everything about the Fortuner is designed for an adventurous lifestyle.

INTERIOR

LED BY FUNCTIONALITY.

The Fortuner's interior has been designed aesthetically and with functionality to assist you to improve your travel experience, no matter how far your destination is.

The Variable Flow Steering provides more natural handling that varies the assistance level to match high & low speeds. With a total of 11 Speakers and a function that supports both Apple CarPlay and Android Auto, you can have all your attention on the road without having to take your hands off the wheel.

Maintain speed with just the push of a button with the Cruise Control feature. With the Fortuner, you'll always find a welcoming atmosphere of modern luxury and practicality, no matter where you're going.

PERFORMANCE & SAFETY

EVERY BIT IS BUILT TO LEAD.

From the looks of it to the Performance, the Fortuner has got everything covered. With a powerful 6 speed Transmission, you can drive anywhere and everywhere. With so much raw and unrestrained power of 150 kW in both transmissions and a torque of 420 Nm (MT) & 500 Nm (AT), it's up for any challenges you throw at it.

Equipped with 7 SRS Airbags and fully backed up with features such as Vehicle Stability Control (VSC), Hill-Assist Control (HAC), Trailer Sway Control (TSC), Limited Slip Differential (LSD), and much more, the Fortuner is the embodiment of Comfort & Safety.

Fortuner sets a new benchmark for performance in both busy urban and off-road, thanks to an astounding array of finely calibrated features and refinements.
