COMFORT ON WHEELS

With a globally respected reputation for reliability and endurance, the HIACE Commuter combines functionally elegant design with a complete range of practical and convenient onboard cabin appointments. Whether you use it for business or pleasure, it offers every person aboard a comfortable ride for the duration of their journey.

On the interior front, the intelligent, ergonomic design assures improved control and a pleasurable driving experience on long trips and in stop-and-go city traffic. Essential indicators and switches are positioned for maximum visibility and easier access for the driver. Every Hiace model features air conditioning with a clean air filter an additional rear cooler, and clock, a contemporary dashboard and instrument panel, modern trims, and fabrics, double wishbone type front suspension, and rack and pinion power steering. The six speaker systems are accompanied by full-length headlining which helps to reduce ambient noise. This means those long days on the road can still be entertaining.

Hiace typically includes several important safety technologies. These features aim to enhance braking performance, stability, and overall safety. The Hiace commonly incorporates an Anti-lock Braking System (ABS) to prevent wheel lock-up during intense braking, ensuring the driver can maintain control.

MODEL	HIACE
Model Code	1KD-FTV
Transmission	5-Speed Manual
Type	4 cylinders, In-line type, 16-Valve DOHC
Displacement	2982
Max. Output	100 kW @ 3400 rpm
Max. Torque	300 nm @ 1200-2400 rpm

CHASSIS	
Front Suspension	Double wishbone (torison)
Rear Suspension	Leaf rigid
Front Brakes	Ventilated disc brake with floating caliper 1-cylinder
Rear Brakes	Leading-trailing drum brake
Wheelbase	3110 mm
Steering	Power steering
Tyres & Rims	195R15C 8PR TUBE LESS 15X6J
Wheel Cap	Available
Min. Turning Radius	6.2 m
Spare Tyre & Rim	Ground tire

MEASUREMENTS	
Weight	3300 kg
Fuel Tank Capacity	70 liter
Ground Clearance	185 mm
Seating Capacity	'16
Length	5380 mm
Width	1880 mm
Height	2285 mm

INTERIOR FEATURES	HIACE
Starting System	Key start
Speedometer	Analogue KM/H
Steering Wheel	4-Spoke Urethane
Power Windows	D+P(D:auto w/jam protection)
Cup Holder	Fr:2,Rr seat back:9
Seats Material	Fabric
Front Driver Seat	4-way manual adjust
Seat back pocket	Rr:9 (net)

EXTERIOR FEATURES	
Headlamps	Halogen
High Mount Stop Lamp	LED
Fog Lamps	Front
Front Grille	Silver Plated
Wind Shield Wiper	Intermittent
Rear Side Glass	Slide (UV cut, green)
Rear Quarter Left Glass	Side (UV cut, green)
Rear Quarter Right Glass	Slide (UV cut, green)
Outside Rearview Mirror	Door large (power), electric retractable

SAFETY	
Anti-lock Braking System (ABS)	Available
