

TOYOTA HILUX^{2.8}

THE LUXURY PICK-UP YOU NEED

THE UNBREAKABLE

TOYOTA HILUX 2.8

The legendary is back with a brand new facelift and some breakthrough additional features such as sonar sensors to make it that much easier to maneuver the vehicle around the city and tight off-road adventures. It is the perfect workhorse that can help you build your dreams with immense power and plush interiors. The 2.8L Turbo engine allows you to tread the path less taken and even lets you make your own path with 150kW of max power and 420Nm of torque.

DURABLE. PROGRESSIVE. UNPARALLELED.

EXTERIORS OF A BEAUTY, AND PERFORMANCE OF A BEAST.

The Hilux isn't designed just to look tough but is designed with utility and performance in mind. Thanks to a powerful new design that includes a more aggressive grille and front bumper that underlines its bold, masculine lines, you are sure to make your entrance known wherever you drive to. Whether you're on the job or on the road, Hilux's aggressive, cutting-edge exterior lines provide a really forceful yet contemporary presence.

The fog lamps and headlamps are both LED-powered, with the latter including LED Daytime Running (DRL) Lights. The new improved alloy wheels provide durability allowing you to wonder the toughest roads. 17" tires and boldly styled new chrome embellished black alloy rims compliment the Legend's purposeful profile styling.

HILUX

LUXURY. STYLE. COMFORT.

EXTERIORS OF A BEAUTY, AND PERFORMANCE
OF A BEAST.

The interior of the new Hilux takes you to new levels of refinement and style. Tough on the outside, comfortable on the inside, the interior of the new Hilux takes you to new levels of elegance and style.

Quality surrounds and appealing, durable materials are combined with the newest technologies to maximize your comfort in this pick-up.

The newly designed adjustable leather seats provide more comfort and support, while the height and depth adjustable steering wheel allow you to find your perfect seating position. Maintain the temperature at the ideal level for maximum comfort through the Automatic Climate Control. The rear seats may be tipped up to make more cargo space available, as well as gain access to the under-seat storage compartments.

**AS TOUGH AS IT IS COMFORTABLE, HILUX
TAKES CARE OF YOU, SO YOU CAN TAKE
CARE OF YOUR BUSINESS.**

A BEAST ON THE ROAD,

AND AN ABSOLUTE
DELIGHT TO DRIVE.

TECHNOLOGY

Drive-in confidence with the help of a large TFT Multi-Information Display that shows useful time vehicle and driving information visibly and clearly.

Groove along to your favorite songs with 4 high-quality speakers. Smart Entry and a Push Start button provide additional convenience by allowing the car to be locked, unlocked, and started without having to take the key fob from the driver's pocket.

Simply connect your smartphone to the multimedia display to make calls, listen to music and navigate using your favorite apps. Apple CarPlay and Android Auto provide a customizable driving experience by combining convenience and connectivity.

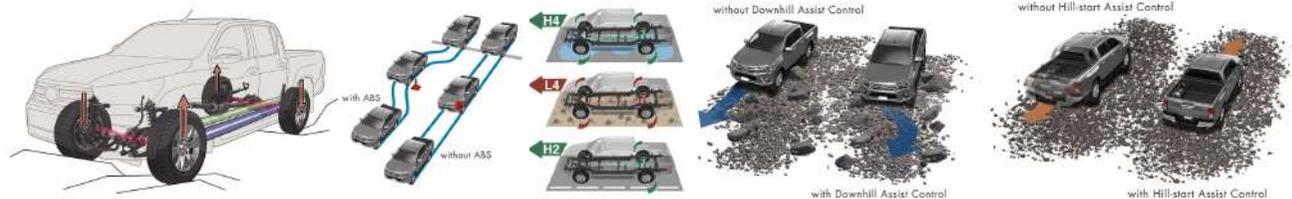

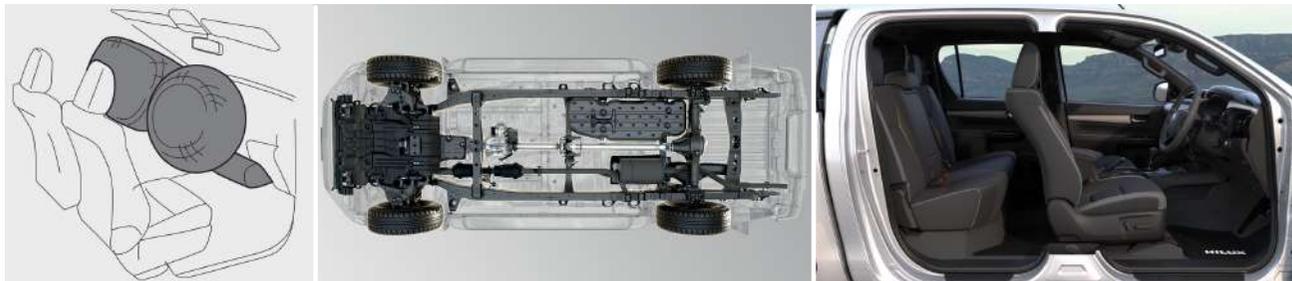

SAFETY & PERFORMANCE

Every Hilux comes with a reassuring sense of protection with advanced safety features.

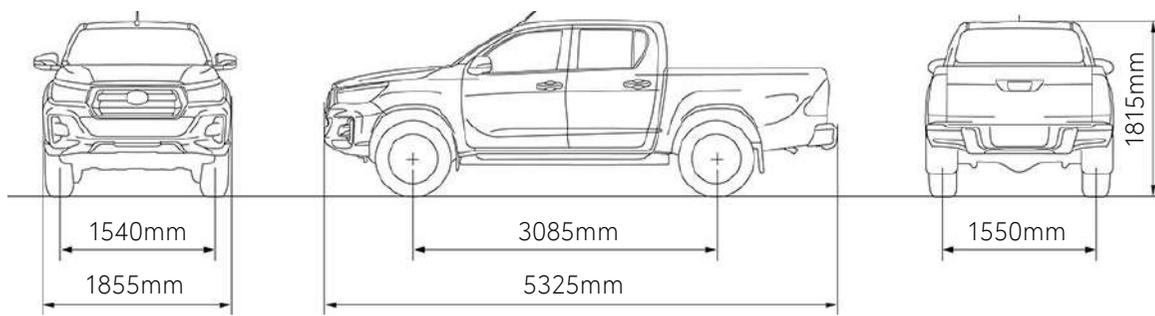

The Hilux is equipped with 3 standard SRS airbags. The impact-absorbing body is designed and constructed to reduce impact in the event of a collision, and the high tensile steel gives better upper and underbody strength. The steering and suspension have been fine-tuned to improve the overall comfort and handling of the vehicle.

Parking is made easier with the integrated back sonar that allows you to park in tight spaces safely and confidently.

The Hilux is fully backed up with a variety of safety features such as Vehicle Stability Control (VSC), Trailer Sway Control (TSC), Anti-Lock Braking System (ABS), and Hill-start Assist Control (HAC).

MODEL	HILUX 2.8L
Model Code	GUN126R-DTFHX
Transmission	6 Speed Manual
Drive	4WD
Origin	Thailand

DIMENSIONS & WEIGHT		
Towing Capacity	With Brake	1500 kg
	Without Brake	750 kg
Ground Clearance		225 mm
Seating Capacity		5
Gross Weight		2910 kg
Fuel Tank Capacity		80 l
Deck Space	Length	1555 mm
	Width	1540 mm
	Height	480 mm

ENGINE	
Engine Model Code	1GD-FTV (High)
Cylinder & Arrangement	4 Cylinders, In-Line
Valve Mechanism	16-Valve DOHC, Chain Drive
Displacement CC.	2755
Fuel System	Fuel Injection
