## INSTRUMENT PANEL

Step into a world of automotive excellence where innovation knows no bounds. Our sleek design features a thin and wide soft-padded instrument panel, seamlessly blending with the door trim to evoke a spacious SUV-like feel.

But that's not all—our driver-oriented cockpit takes center stage, placing you at the heart of the action with a sporty impression that ignites your passion for the road ahead.

Experience automotive perfection like never before. Get ready to go beyond zero, beyond limit, and beyond adventure. Welcome to the future of driving.

# INTERIOR DESIGN – METERS

- The 7-inch TFT and digital LED speedometer look seamless, expressing a full-screen-like advanced impression.
- The screen layout can be selected from four patterns to suit each user's preference. (switchable while the vehicle is stopped)

# INTERIOR COLOR

Blue accent color used for the instrument panel and seat stitching creates a sporty impression.
